WATER SPINACH

WE'RE YOUR #1 PROVIDER

Water spinach is a vibrant leafy green with hollow stems and tender, arrow-shaped leaves. It has a mild, slightly sweet flavor that takes on the flavors it is cooked with, making it a favorite in stir-fries, soups, and sautees. Crisp, fresh, and incredibly versatile, it brings bold color and texture to any dish.

Exceptional source of Vitamin A & C, Iron, Magnesium, and more!

HANDLING

Our new packaging insulates the product throughout the cold chain so it can be stored at the standard 36–38°F alongside other leafy greens.

Keep unused product enclosed in the bag and box.
